

INFORMATION

The “Bath Township Living Tree” program offers you the opportunity to remember loved ones by having a tree planted in the parks or other properties of Bath Township and placing a commemorative brass leaf plaque on the bronze “Living Tree” located at the Bath Center Trustee Meeting Room.

This is a special way of establishing a natural remembrance of a loved one or someone close to your heart by planting a living tree in the township and having a permanent dedication on the “Living Tree”.

The cost for a “Living Tree” is \$200 per tree. This cost includes the tree of your choice, installation of the tree, proper care/ maintenance, one brass leaf plaque, and the engraving on the brass leaf.

After you have made your tree selection Bath Township will plant a tree in any of the township owned property including the township parks (Bath Baseball Park, Bath Community Activity Center, Bath Nature Preserve, Bath Hill Park), Bath Center grounds, Service Center Grounds and or the township cemeteries. In any of these locations, the trees will mark a natural memorial for a loved one as well as enhance the overall beauty of the township.

All trees will be planted in the fall of each year. Please write your first and second choice. (The reason for two choices is that not all trees are available each year.)

PARKS and GROUNDS

Bath has several areas throughout the township that your tree may be planted at. Here are the descriptions about the township parks:

BATH BASEBALL PARK

Located at 4600 Everett Road directly south of the intersection of Southern Road and Everett Road. This park is 26 acres in size and is a heavily used baseball facility made-up of eight baseball diamonds, picnic shelter/ concession stand, playground and a protected wetland.

BATH COMMUNITY ACTIVITY CENTER

Located at 1615 North Cleveland-Massillon Road just north of the intersection of Shade Road and North Cleveland-Massillon Road. This park is 41 acres in size and is a well-developed park with reasonably high visitation. This park has a picnic shelter, tennis courts, football field, soccer field and over twelve acres of preserved woodlands with nature trails. This park also has a trail link to the Bath Nature Preserve.

BATH HILL PARK

Located at 763 North Revere Road, just north of the intersection of Smith Road and Revere Road. This park is sixteen acres in size and is a small neighborhood park. This park offers tennis courts, half basketball court, playground and eleven acres of preserved woodlands and a protected wetland.

BATH NATURE PRESERVE

Located at 4160 Ira Road just east of the intersection of Hametown Road and Ira Road. This park is 410 acres in size and is low level of development with a reasonably high visitation. This park offers a variety of trails including a equestrian loop, nature trail and a multi-purpose trail connecting the Bath Community Activity Center. It also has three fishing ponds and a sled ride hill.
