

Possible Plan Outline

□ **Introduction**

- What is a plan?
- History of planning in Bath Township
- Summary of this process

□ **Trends Analysis**

- Demographic and housing trends
- Impacts of trends on the future (projections)

□ **Basic Inventories**

- Updated existing land use inventory
- Updated mapping/inventory of natural features as available

Possible Plan Outline

□ **Goals/Major Themes**

□ Outline of goals/major themes

1. Rural single family character
2. Protected natural resources
3. Open space and greenway network
4. Preserved and enhanced villages
5. High quality corridors
6. Sustained neighborhood quality
7. Public facilities that reinforce overall growth management goals
8. Multi-jurisdiction cooperative planning

□ Any “actionable” objective will be addressed in the implementation

Possible Plan Outline

□ **Goals/Major Themes**

□ Outline of goals/major themes

1. Rural single family character
2. Protected natural resources
3. Open space and greenway network
4. Preserved and enhanced villages
5. High quality corridors
6. Sustained neighborhood quality
7. Public facilities that reinforce overall growth management goals
8. Multi-jurisdiction cooperative planning

Possible Plan Outline

□ **Land Use Plan**

- Summary of how the proposed land use plan addresses the eight major themes
- Map, narrative, and images related to the future land use in the township

□ **Implementation**

- Action steps on how the township can achieve the goals established for each major theme.
- Use the major themes as the structure.
